See reverse side for important disclosures
1. The UNC Debit Card is a Visa® debit card issued by Wells Fargo Bank, N.A., and is a Wells Fargo Campus Card.

2. Your Everyday Checking account will receive a monthly service fee waiver within 45 days of linking your UNC Debit Card to that account. See a Wells Fargo banker for more information about other fees that may apply.

3. These benefits will take effect within 45 days following the linkage of your Campus Card to an Everyday Checking account. Your Everyday Checking account must be linked to an open, active Wells Fargo Campus Card to remain eligible and receive these benefits. Your benefits will end 60 days after your Everyday Checking account is no longer linked to an active Campus Card. In that event, the Bank’s standard terms and fees apply. Ask a banker for additional details.

4. Non-Wells Fargo ATM owner/operator fees may apply.

5. Overdraft Protection transfers from a savings account count toward the Regulation D and Wells Fargo combined limit of six transfers or withdrawals per monthly fee period. If the limit is exceeded, an excess activity fee for each transfer or withdrawal over the limit will be assessed. If the limit is exceeded on more than an occasional basis, your savings account could be converted to a checking account, which would discontinue any Overdraft Protection it might be providing to another account, or closed. There is a maximum of three excess activity fees per monthly fee period. Please refer to the Consumer Account Fee and Information Schedule and Deposit Account Agreement for details.

6. Availability may be affected by your mobile carrier’s coverage area. Your mobile carrier’s message and data rates may apply.

Wells Fargo may provide financial support to University of North Carolina at Chapel Hill for services associated with the UNC Debit Card.
