Components of Student Success

We believe student success includes:

1	Exploring & growing intellectually	
2	Appreciating diverse perspectives as well as developing one's own identity	
3	Developing social & emotional skills	
4	Engaging in meaningful activities, roles, & relationships	
5	Cultivating a sense of purpose or vocation	

Encouraging Student Success

Success is likely in an environment that:

1	Fosters self-advocacy & resiliency	
2	Promotes a growth mindset understanding of intelligence	
3	Affirms cultural identities & advances inclusive excellence	
4	Encourages academic excellence, integrity, & leadership	
5	Demonstrates concern for the well-being of the whole student	

UNC-Chapel Hill wants every student to make steady academic progress and graduate on time. But success does not look the same for every student. There are different pathways to success.

WE BELIEVE STUDENTS SUCCEED WHEN THEY:

- Take full advantage of the breadth and depth of our curriculum
- Set academic and personal goals
- Take responsibility for their education, choices, & decisions

Undergraduate student success advances higher learning and discovery as well as individual competency development and academic achievement.

CAROLINA JARGON AND TRADITIONS

for familiarizing yourself as you begin your journey at UNC. We try not to use all this jargon at Orientation, but you'll definitely hear it as you get to campus. Start here with some common "Tar Heel Terms"

B-School — Established in 1919 as the Department of Commerce of UNC-Chapel Hill's College of Arts, the School was renamed the Kenan-Flagler Business School in 1991.

The DTH — The Daily Tar Heel is the University's award-winning student newspaper. The publication, along with its website, keeps students up-to-date on the latest news while offering outlets for opinionated expression.

E-haus and HoJo — Common nicknames for Ehringhaus and Hinton James Residence Halls.

#GDTBATH — A popular hashtag used by UNC students. It stands for it's a Great Day to be a Tar Heel.

LDOC — A popular acronym that stands for the Last Day of Class.

MJ-School — The Hussman School of Media and Journalism, located in Carroll Hall and home to one of the nation's most competitive and critically acclaimed journalism programs.

Old Well — For many years, the Old Well served as the sole water supply for Old East and Old West Residence Halls. Students can bring good luck with a drink from the Old Well on the first day of classes.

One Card — This identification card serves as students' key to campus events, concerts, recreational games, and fitness classes. It also functions as a library card, debit card for expense accounts, and digitally maintains the balance on meal plans.

ONYEN — An acronym for The Only Name You'll Ever Need, ONYEN (pronounced like "onion") is the personal log-in for students' various resources on campus such as UNC email, ConnectCarolina, and computer lab printers.

P2P — This late-night bus, known as the Point-to-Point shuttle, runs across campus to residence halls, campus libraries, Franklin Street, and Fraternity Court. For After-Dark Service, 7:00 pm–6:00 am, students can call 919-962-7867 for areas not served by the P2P.

PID — This personal ID number is essential for registering for classes, accessing course information online, as well as for a number of other business validations on campus.

CAROLINA JARGON AND TRADITIONS

The Pit — The central meeting place for events, performances, and all other gatherings, located in the middle of campus. Bordered by the Carolina Union, Daniels Student Stores, Lenoir Dining Hall, and the House Undergraduate Library, the brick-lined area derived its name from the pit-like indentation that it makes in the ground.

Polk Place — Another popular meeting place, located in the middle of campus in front of Wilson Library. The grassy area is known for student demonstrations, outdoor concerts, and speeches, as well as the casual afternoon game of ultimate frisbee.

RA — Also commonly known as a Resident Advisor, these undergraduate peers serve as live-in, supportive leaders of the residence hall communities. RAs serve as a point person for University information and general questions or concerns and work to foster a sense of community among residents.

SASB — Short for Student & Academic Services Building, SASB North and SASB South are located at the corner of Manning and Ridge Road.

SRC — The Student Recreation Center, located in the middle of campus, is a hub for health and wellness, offering fitness classes like power yoga, cycling, and dance lessons.

Top-of-Lenoir (TOL) — The upper section of Lenoir Dining Hall. It is the swipe-accessed all-you-care-to-eat space.

Bottom-of-Lenoir (BOL) — The lower section of Lenoir Dining Hall. It is where various fast-casual restaurant options exist. In this section, you will find open-eating and hangout spaces.

The U, RU, and NU — The three main bus routes that serve UNC's campus. The U, RU, and NU each make stops on north and south campus, while the NU makes extended stops beyond campus.

The UL — A common name for the Robert B. House Undergraduate Library. The renovated facility is open 24 hours a day and houses a computer lab, reading resource rooms, study lounges, and the Media Resource Center.

WOW — Weeks of Welcome is an annual celebration that takes place at the beginning of the fall and spring semesters to welcome new students to UNC.

A young Black woman with glasses and a blue face mask is sitting on a brick walkway, reading a book titled "A History of the World in 10 Objects". She is wearing a maroon hoodie over a striped shirt. In the background, there is a brick building and a tree with autumn-colored leaves. A dark blue backpack is on the ground next to her.

HEALTH, WELLNESS, & SAFETY

Successful UNC students make time for health, mental health and wellness. Set yourself up for success! Schedule time to sleep well, move your body in ways you enjoy, and sit down to eat a variety of yummy, nutrient-dense foods.

CAMPUS HEALTH

When you need health care at UNC, Campus Health provides expert, student-centered, and inclusive care. Campus Health is in-network with 95% of UNC students' health insurance plans. In addition to in-person visits, telemedicine is available when clinically appropriate.

Services provided:

- Primary Care

All students must submit documentation through the ConnectCarolina To Do List which will be available once matriculated into the university. If you fail to meet immunization requirements by the 30th day of class, you will be withdrawn from UNC. Details at campushealth.unc.edu/immunizations.

Health insurance is required for all students within the UNC System. Each semester you must provide proof of your health insurance through an online system. If you do not receive an approved waiver through this process, you will be enrolled in and billed for UNC System Student Health Insurance. Details at campushealth.unc.edu/insurance.

COUNSELING & PSYCHOLOGICAL SERVICES

Mental Health

How you navigate your mental health and wellbeing at UNC-CH has a big impact on your ability to be successful as a student.

Counseling and Psychological Services (CAPS) is the primary mental health provider at UNC-CH. Providers at CAPS can assist students in managing academic and personal demands more effectively. Talking with a concerned professional can go a long way toward resolving problems.

CAPS offers initial assessments, brief individual psychotherapy, group therapy, medication management, community referral coordination, academic intervention, and after hours phone support. A first visit to CAPS is both free and confidential.

You can call or come to CAPS speak with a mental health provider about any problem that is causing you concern. While you might not think the problem is serious enough to seek help, consider how much it interferes with your activities or leads to difficult thoughts and feelings. Initial visits are offered without any appointment needed - just come at your convenience M-F 9am-12pm, 1pm-4pm. At that visit, you'll complete some paperwork and speak to a caring mental health provider to determine what services might best fit your needs. When CAPS is not open, the CAPS 24/7 phone number is answered by mental health professionals to support non-emergency concerns that can't wait for office hours.

If your needs fall outside of the brief therapy that CAPS provides — some students need specialized testing or would be best served with open-ended treatment — providers at CAPS can help get you connected with a mental health professional in Chapel Hill or surrounding areas.

Students Helping Students

Friends are usually the first to notice when a peer is in distress. Expressing your concern to a friend and encouraging them to seek help may be the first step in their healing. Remember your own limits — your role is to provide support. Other supportive adults can help too — a resident advisor, or Community Director, a trusted UNC-CH staff or faculty member, a family member, a medical provider, or a spiritual leader.

UNC-CH boasts multiple student groups working to reduce mental health stigma and increase awareness of mental health impacts. We encourage you to consider getting involved with any of these organizations:

- Active Minds at Carolina
 - Carolina Recovery Group
 - Embody Carolina
 - Healthy Heels Ambassadors (hha!)
 - Mental Health Ambassadors
 - P.E.A.C.E (Processing Emotions & Communicating Effectively)
 - Peer2Peer
 - Peers for Progress
- Rethink Psychiatric Illness
 - Sexuality and Gender Alliance (SAGA)
 - TarHeel Navigators
 - UNC Wellness Network
 - We Are Saath
 - We Wear the Mask
 - Rethink: Psychiatric Illness
 - Veteran Student Organizations

EQUAL OPPORTUNITY AND COMPLIANCE (EOC) OFFICE

Our Commitment To Equity in Educational Opportunities

The Equal Opportunity and Compliance (EOC) Office ensures that Carolina remains committed to equity in educational opportunities and abides by federal and state laws including Title IX of the Education Amendments of 1972. The University does not discriminate in offering access to its educational programs and activities on the basis of age, color, disability, gender, gender expression, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, or veteran status.

This office also oversees the Policy on Prohibited Discrimination, Harassment and Related Misconduct and the Policy on Prohibited Sexual Harassment under Title IX. Prohibited harassment and discrimination includes sexual assault or sexual violence and sexual exploitation. The University also prohibits related misconduct, including interpersonal (relationship) violence, stalking, and retaliation. You can learn more about how EOC supports this commitment by visiting eoc.unc.edu.

If you have experienced discrimination or harassment, including sexual assault or sexual violence, sexual exploitation, interpersonal violence, or stalking, you are encouraged to report it to EOC. You can make a report by contacting EOC using the contact information below or by filling out an online form found on EOC's website.

Get Involved On Campus

EOC encourages the campus community to get involved in prevention and awareness programs and trainings that are designed to help make a safer campus. Visit safe.unc.edu to learn more about how you can get involved.

UNIVERSITY OMBUDS

A Safe Place to Talk Through any Challenge or Concern

The University Ombuds Office is a safe place to talk openly and explore options concerning any Carolina-related issue, problem, or dispute. The Ombuds Office is a confidential, impartial, informal, independent resource. They keep no records and will not share details about your visit without your consent, except in emergencies or if required by law. As you navigate a challenging situation, the Ombuds Office can be a useful resource at any point along the way.

Ombuds will listen, help you evaluate your situation, and identify options to help you move forward. You will decide if you want to take any action. They can help you with addressing concerns with fellow students or employees, understanding University policies, untangling complicated situations, and finding available resources on campus. They offer coaching, facilitated conversations, informal mediation, and other services. They supplement, but do not replace, the University's formal channels. The Ombuds Office does not accept formal complaints or notice for UNC-Chapel Hill. All services are free and voluntary.

OFFICE OF STUDENT CONDUCT

The Office of Student Conduct administers the Honor System and Honor Code that prohibits lying, cheating, stealing, and any conduct that impairs the welfare or educational opportunity of others in the Carolina community. The UNC honor System is over 130 years old and is one of the few in the nation led by you, the student.

The Honor Code applies to both on and off-campus conduct. Carolina maintains an Honor Code because we believe that all members of our community should be responsible for upholding the values that have been agreed upon by the Carolina community. It is every student's responsibility to review and abide by the Honor Code. The Honor Code can be found as part of the Instrument of Student Judicial Governance. The Instrument outlines prohibited conduct, policies, and procedures for adjudicating allegations of student misconduct.

Types of Honor Code Violations include:

- Academic cheating
- Lying
- Theft
- Assault
- Drug possession
- Damage to property
- Weapons possession
- Disorderly conduct
- Hazing
- Misuse of property
- Driving a motor vehicle while impaired
- Falsifying documents

ALERT CAROLINA

At Carolina, we are committed to providing the safest campus environment we can for our entire community. The Alert Carolina safety awareness system for the campus community is an important part of that commitment. The system educates the campus about what to do in an emergency and where to find safety-related resources. A key part of Alert Carolina involves its emergency alert messaging system that sends both emails and text messages to students, faculty, and staff. In order to receive text messages, you need to register a cell phone number in the system online.

During an emergency, only call 911 or UNC Police if you are in need of assistance, see suspicious activity, or have information related to the ongoing situation. In order to keep the phone lines open, do not call 911 or UNC Police for general information.

When an emergency happens authorities will immediately investigate the situation, verify the facts, and provide the campus with instructions. The Alert Carolina website and Twitter page will have the most updated information.

In the event of an emergency, sirens will sound with instructions. These emergency sirens are designed to be heard outside on campus and will not be heard inside buildings or cars. When the threat is over, the sirens will sound with a different tone and an “all clear” message. The sirens will only sound for a significant emergency or dangerous situation involving an immediate threat to health or safety, or during a regularly scheduled sirens test. The sirens will also be accompanied by Alert Carolina text messages and emails with information and instructions.

During an emergency, you are encouraged to use the American Red Cross Safe and Well List to let your family know you are okay while keeping cell phone lines open for emergency calls.

The University will also communicate using the Adverse Weather and Emergency Phone Line with recorded information, campus cable television channels, local media, and official University Twitter and Facebook accounts.

Within the Alert Carolina system's four types of notifications:

- **Emergency Warning:** issued if there is a significant emergency or immediate threat to the health or safety of people on campus. The emergency sirens will sound to alert people that they need to act now, accompanied by a text message, social media message, and email.
- **Crime Alert:** issued to notify the campus community of any Clery Act crime as soon as the information is available so people can protect themselves and/or their property from similar crimes. This type of warning is intended to tell people to be cautious, not to take immediate action, so communications may include a text message or email, but the emergency sirens will not sound.
- **Adverse Condition:** issued when circumstances exist that do not represent an immediate threat to health or safety, yet action may enable people to protect themselves and/or their property. These situations include adverse weather events such as approaching snowstorms or hurricanes, major campus utility outages, or other situations that would require a change in the University's normal operating status.
- **Informational Message:** issued when a situation is not an emergency or nor does it pose an immediate threat to the campus community but is of significant interest to campus. This includes tornado watches and severe thunderstorm warnings. The University will send a campus-wide email message.

CAROLINA READY

UNC POLICE

Safety is a shared responsibility between UNC Police and the campus community. The department employs a staff of sworn officers that hold the same authority as city police officers and sheriff's deputies. The officers include a detective team, bike patrols and a community response unit that focuses on issues such as theft reduction and pedestrian safety, a silent witness program and mutual aid agreements with off-campus law enforcement agencies.

Help UNC Police by doing the following:

- Never assume that just because a friend may know someone that you are safe with that person. If something does not feel safe, it probably is not.
- Secure your valuables. Avoid leaving backpacks and laptops unattended. Make sure your electronic devices are equipped with a security app to help you find them should they become lost or stolen.
- Never share passwords associated with your Onyen or other personal sites. Avoid posting and sharing personal information that could be used to identify you or locate you offline. Report any unwanted or inappropriate communications to UNC Police.
- Be aware of your surroundings and never walk alone at night. Avoid wearing headphones, which can impede awareness.
- Walk with a group, stay on the lighted path. Consider biking or jogging during the day. Never stay in one spot if you feel you are being followed. If anyone approaches you that makes you feel uncomfortable, keep walking and call 911.
- Pay attention on your way home and have your key or flex pass ready.
- On an elevator, stand near the control panel and use the emergency alarm button if necessary.
- Note the condition of your home as you approach and before entering. If something appears out of the ordinary, leave immediately and call 911.
- Outside doors of campus residence halls are locked 24 hours a day to keep out people who do not reside there. Help keep your community secure by not holding the door open for unknown individuals behind you.
- Share your safety concerns with a Resident Advisor (RA), with police or with someone you can trust. When in doubt, call 911. Always file a report with UNC Police if a crime has occurred.

There are also many campus safety resources that can help keep you and campus more secure:

- **Emergency Call Boxes** are located across campus on black poles with blue lights on top. UNC Police respond to the call box location as soon as the call box is activated.
- **SafeWalk** provides a male-female pair of police-trained student walkers to accompany students Sunday - Thursday, 11 p.m. - 3 a.m. at all on-campus locations, including Granville Towers, and some off-campus locations, such as fraternity and sorority houses.
- The **Carolina Ready Safety App** is a University-wide mobile application that delivers useful content about the Carolina community which can be accessed anywhere in the world.
- **Point-to-Point (P2P)** is an express bus that is free to students during late evening hours.
- **Chapel Hill Transit** is free! Visit **NextBus** to see arrival times and reduce your outside wait time. **Safe Ride** routes are offered to serve parts of campus, Chapel Hill and Carrboro.

MONEY MATTERS

From tuition to meals plans, to paying for housing and textbooks, finances will likely be on your mind. As you transition to Carolina, there are two main resources to help you navigate this part of every student's life each academic year.

OFFICE OF SCHOLARSHIPS & STUDENT AID

From paying student bills and managing your account to understanding financial aid resources, the Office of Scholarships & Student Aid (OSSA) and the Office of the University Cashier have you covered.

The Office of Scholarships & Student Aid (OSSA) works hard to keep Carolina affordable for all students. Financial aid is based on the individual circumstances of each student and family, and it is reviewed every year.

To be considered for all types of aid and scholarships, complete the two items in the box below by **March 1st**.

THE FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA)

[FAFSA.GOV](https://fafsa.gov) | **UNC CODE 002974**

THE CSS PROFILE (FOR INSTITUTIONAL AID) CSSPROFILE

[COLLEGEBOARD.ORG](https://collegeboard.org) | **UNC CODE 5816**

You'll need to complete an updated FAFSA each year, but you only need to fill out the CSS Profile once, when you first enroll at Carolina.

Please report any outside scholarships and awards— college funding from foundations, community organizations, or companies — to OSSA .

You can check your aid status at any time through Connect Carolina. Financial aid counselors are always happy to help, so get in touch with OSSA if you have questions or if you have a major change in your financial circumstances. Visit studentaid.unc.edu/contact.

VISIT [STUDENTAID.UNC.EDU/INCOMING/HOW-TO-APPLY](https://studentaid.unc.edu/incoming/how-to-apply) FOR ADDITIONAL INFORMATION

VISIT [STUDENTAID.UNC.EDU/CURRENT/WHAT-AID-IS-AVAILABLE/OUTSIDE-SCHOLARSHIPS](https://studentaid.unc.edu/current/what-aid-is-available/outside-scholarships) TO REPORT OUTSIDE SCHOLARSHIPS AND AID

OFFICE OF UNIVERSITY CASHIER

The Office of the University Cashier bills and collects for tuition, fees, housing, meal plans, and other campus expenses. Electronic bills are generated monthly and are due approximately three weeks later. You will receive notifications of new billing statements at your UNC email address and are responsible for paying these charges when they are due. Billing for the fall semester generally takes place in mid-July. Payment for these bills will be due in mid-August. Check your email for updates.

In most cases, financial aid is disbursed during the first week of classes. If you are receiving financial aid after payment is due, you may need to defer your University bill through Connect Carolina.

The University Cashier can only discuss your student account with you and authorized users or proxies with student financial permission. You can designate authorized users so that family members or third parties can view and pay bills online.

VISIT [CASHIER.UNC.EDU](https://cashier.unc.edu) FOR INFORMATION ABOUT PAYMENT OPTIONS, REQUESTING DEFERMENTS, 1098-TS AND OTHER STUDENT ACCOUNT-RELATED INFORMATION

EXPLORING YOUR CAMPUS COMMUNITY

Here at Carolina, we work together to create and sustain the kind of community where we all feel welcomed, respected and free to pursue our goals and dreams and to become our best and truest selves. We celebrate all forms of diversity to ensure equitable and inclusive educational and social benefits. One way UNC offers opportunities for this is through extraordinary campus department and student organizations on campus.

UNIVERSITY OFFICE FOR DIVERSITY & INCLUSION (UODI)

[DIVERSITY.UNC.EDU](https://diversity.unc.edu)

The mission of the University Office for Diversity and Inclusion (UODI) is to enrich the lives of UNC students, faculty, staff, alumni and extended communities. UODI develops and implements initiatives that promote inclusion, access, learning and diversity. Additionally, UODI provides University-led leadership in shaping policies, programs and services that advance diversity and enhance the quality of life for all members of the University community.

Our office offers many ways for you to get involved with diversity, equity and inclusion at Carolina:

Achieving Carolina Excellence (ACE) is a unique opportunity for new students to be introduced to Carolina at the beginning of the academic year and meet current students from underrepresented populations. This experience offers you academic support resources, breakout sessions, social activities as well as cultural and identity sessions. Special parent and family sessions are also offered.

UODI supervises the Martin Luther King Jr. Celebration Committee. Committee members help plan the annual Martin Luther King Jr. celebration, which includes the MLK University/Community Banquet, the MLK Lecture and the student Unity dinner and service projects. In all these ventures, committee members continue and promote Dr. King's legacy.

You can volunteer to be part of the Student Access and Success Committee (SASC). SASC volunteers help coordinate programs and activities hosted by UODI to increase access to higher education and support the success of current students. These include Project Uplift, Uplift PLUS, North Carolina Renaissance, Achieving Carolina Excellence, Tar Heel Talks and Beyond Carolina.

"D&I has provided me with a voice and platform to address diversity issues on our campus. Through D&I, I hope to bring a true sense of community and inclusiveness to our campus and celebrate the various differences that come with each student."

— Jay Peterkin, Class of 2017

Join the Campus Y's 2,000+ student members and tackle today's most pressing social justice challenges, such as immigrant and refugee rights, educational inequity, food insecurity, community advocacy and inclusion, and more!

In addition to the Campus Y's 32 student-run social justice committees, there are three specialized staff-led programs offered through the Campus Y:

- The Global Gap Year Fellowship provides financial support to a select group of rising first-years and juniors who defer admission to work, travel, and undertake public service abroad.

- Finally, CUBE, a social innovation accelerator, helps teams grow and accelerate startups that address social challenges locally and internationally.

CAROLINA WOMEN'S CENTER

The Carolina Women's Center's (CWC) mission is to ensure that gender is not a barrier to success, and achievements towards gender equity are celebrated. We sponsor educational programming throughout the academic year, including film screenings, discussions, and performances. The center's Gender Violence Services Coordinators provide confidential support, resources, and referrals to people who have been affected by sexual violence, relationship violence, stalking, or harassment.

Additionally, you can apply to be a Moxie Scholar! Moxie Scholars complete a spring semester course about women's leadership and activism, followed by an eight-week summer internship with women's organizations, nonprofits, and municipalities in the Triangle area.

HONORS CAROLINA

Honors Carolina is a four-year academic program geared toward the top 10 percent of undergraduates at UNC, and is comprised of a remarkable collection of courses, study abroad programs, special events, career development programming, and other learning opportunities. Our mission is to provide high-achieving, intellectually curious students with a guided journey toward a successful career and a purposeful life.

Each year, roughly 400 students are invited to join Honors Carolina at the time of their admission to the University. In addition, current UNC students may apply to join the program after their first semester or first year on campus. Transfer students may also apply in the fall of their first year. Honors Carolina courses and study abroad programs are open on a space-available basis to all students with a 3.0 or better GPA.

Registration Priority

Members of Honors Carolina are first in their class to register for courses each semester — and receive extended registration priority for honors courses.

Hands-on Learning

With over 200 options available each year, students enjoy a variety of honors seminars designed as small, collaborative learning environments led by award-winning faculty. These courses rely on research and hands-on learning to explore the sciences, humanities, fine arts, and professional programs. In addition, more than 90% of Honors Carolina students get involved in undergraduate research projects through summer fellowships and by completing a Senior Honors Thesis. Engaging in original inquiry and investigation allows students to develop new skills and experience the thrill of discovery.

A Tight-Knit Community

From the moment they step foot on campus, students join a diverse and exceptional community of scholars and friends through dedicated Honors Carolina housing, social events, and networking opportunities.

Experienced Career Coaches

Industry professionals help students explore career pathways and possibilities, prepare for post-graduate success, and connect with alumni around the world. The Go Anywhere Platform — our online networking and resource hub — powers those connections through meaningful and carefully-curated mentoring, research, employment, and internship opportunities. Global Opportunities

Honors Carolina students are immersed in new cultures and adventures through more than a dozen study abroad programs, internships, fellowships, and research opportunities around the globe.
