

GRANT AWARDS 2022-2023

A snapshot of the Parents Council Grant Awards recipients and their initiatives for this academic year.

CAROLINA
PARENTS COUNCIL

Tar Heels Vote - \$2000

Educating and empowering Tar Heels to vote in November 2022 and beyond

Carolina Union Strength Based Training - \$2500

Creating opportunities to train and develop students by making known and honing their strengths.

BeAM MakerFest - \$4500

Inviting students to participate and show off their MakerSpace skills, talents, and finished projects.

Start-up Connect Meet & Greet - \$5300

Introducing students to unique, experiential learning experiences at high-growth startup companies in the Triangle

RHA's Menstrual Product Initiative - \$5000

Closing the menstrual equity gap by supplementing on-campus menstruators' needs with free pads and tampons.

Carolina Scientific Magazine - \$3000

Producing an accessible magazine by undergraduates for undergraduates, furthering the reach of UNC research.

Know Your Roots - \$3500

Teaching students about the University's founding, the people who built the campus, students who broke the color barrier, and the myriad of ways Black students, faculty, and staff have contributed to UNC

Advising Hub On the Go - \$3600

Expanding Advising efforts throughout campus so that students can meet advisors in spaces that are most convenient for them.

CompostMates at Carolina - \$500

Expanding access to composting among off-campus UNC-CH students who lack the ability to donate or maintain their own compost.

UNC Campus EMS - \$5500

A student-run first responder agency on UNC's main campus which responds to all emergency medical 911 calls during hours of operation

Carolina Collaborative for Resilience - \$2600

Providing space for coping, healing, and resilience around identity-based and racial trauma that harms the health, wellbeing and academic success of our students.
